

REMARKS

By the present amendment, Applicants have amended claims 8 and 10. Claims 1-8 and 10-23 remain pending in this application. Applicants' representatives thank Examiner Lee for the time and courtesy in extending Applicants' representative an interview to discuss this pending application. During the interview, Examiner Lee indicated that the outstanding rejection of claims 8 and 10 under 35 U.S.C. § 101 could be overcome by claim language that more clearly recites a tangible storage. The present amendment incorporates the Examiner's suggestion.

CONCLUSION

In view of the foregoing, Applicants request the Examiner's reconsideration of the application, and the timely allowance of pending claims 1-8 and 10-23.

If a telephone interview will expedite issuance of this application, the Examiner is requested to call Applicants' representative whose name and registration number appear below at (202) 408-4138, to discuss any remaining issues.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.
